When We Talk Whittall Rugs

we want you to know what we are talking about. We always feel that we can talk pretty BIG when we get on this subject because we know, no matter how much we say, we cannot exaggerate their good qualities.

1. The Whittall line of Rugs and Carpets is the finest made in America.
2. Every rug and yard of carpet is made on honor and every rug and yard of carpet bears the trade mark "Whittall's" woven into its back—the trade mark is the proud guarantee of the manufacturer.
3. The materials and workmanship that go with these rugs are unequalled.
4. The dyes are tested in thirty days' direct sunlight and no dye that will NOT bear this test successfully is used in the manufacture of Whittall's goods.
5. Their reputation for beauty and splendid wearing qualities is world-wide.
6. The line is large and contains just the rug you want in just the size and quality you want it and at the price you can afford.

We show the largest stock of Whittall Rugs in this part of New England. The line of patterns for 1916 has arrived and we are very proud of them.

How Do You Like It?

Some folks consider an Insurance Agent a nuisance. They allow if they want any Insurance, they can go after it, but they seldom do this. I write all kinds of Insurance and am glad to do it, but I do not personally solicit business from any one. Should be glad to have you call at my office, where I can show you more intelligently, just what I can do for you, or will call on you upon request, either by Phone, 374-1, or by card. I claim to have the very best of all kinds at cheaper than many companies.

SAVE FOR A HOME

EVERY man or woman has planned at sometime to own their home. With a roof over your own head that you have paid for yourself and over which there is absolutely no indebtedness you will enjoy more real happiness than you have ever experienced before.

The problem of buying a home is difficult. The problems in buying a home are very many even after you have selected the house and know the amount of money that you can afford to pay. One thing is sure. The most satisfactory way to purchase a piece of property is to pay the cash. With the aid of the new \$100.00 Installment Books being put out by the Passumpsic Savings Bank you can systematically plan to own your own home and lot by taking out enough books to cover the amount you want to invest in a home. Think this over and drop into the Bank as soon as possible.

NAGEL SENT TO RUTLAND

Must Serve From One To Two Years For Assaulting Wife—County Court.

William Nagel, who was found guilty of simple assault upon his wife last week was brought into court yesterday afternoon and sentenced to from one to two years in the House of Correction at Rutland. This finished the criminal docket for this term and the jury was discharged last week. Court is hearing divorce cases now and it looks as though the business of the term would be finished this week.

The jury in the case of State vs. William Nagel, charged with assault with intent to kill, brought in a verdict of guilty of simple assault. Mrs. Nagel has been granted a divorce from him and given the custody of the minor children.

Celon Clark last Wednesday pleaded guilty to the charge of adultery and was sentenced to serve from one to two years at Windsor. Florence Applebee who was arrested with him pleaded guilty and sentenced to serve from two to three years at Windsor, but sentence was stayed and she is placed in charge of the probation officer.

Alta Ladeau who was found guilty of assault on a young boy in Ryegate was sentenced to serve from one to two years in Windsor. The case against her charging adultery was not pressed. Leon J. Patch also charged with adultery was arraigned and pleaded not guilty and after the state put in its evidence the judge ordered a verdict of not guilty and he was released.

In the civil case of Dr. W. J. Aldrich vs. Boston and Maine Railroad a verdict was returned for the plaintiff to recover \$175 and costs.

FOREST AND STREAM

Annual Meeting and Banquet Of The Club—Opposed To Revision Of Laws—Address By Titcomb.

The annual meeting and banquet of the Caledonia Forest and Stream club at Pythian hall last Wednesday noon was well attended and an interesting gathering. A fine dinner of fish and venison was served by the Ladies Aid association of Brightlook hospital, the change of laws discussed and opposed and the possibilities of developing the fish and game interests of Vermont fully and ably discussed by Fish and Game Commissioner, J. W. Titcomb. There were also good speeches by Alexander Dunnett, Rev. P. H. Laird and Rev. J. J. Hutchinson. Secretary W. B. Eastman presented 25 names for membership and they were voted into the organization. F. O. French put the audience in good humor with his original wit and humor. The officers were very largely re-elected. They are:

President, W. J. Bigelow of St. Johnsbury.

Vice-president, H. M. Osgood of Danville.

Secretary and treasurer, W. B. Eastman of St. Johnsbury.

Auditors, H. F. Balch and L. P. Leach of St. Johnsbury.

The following town and community chairmen were named:

Barnet—Dr. J. M. Gibson, McIndoes; L. H. Thornton, West Barnet; Harvey A. Burdick, East Barnet; Burke—E. A. Darling, East Burke; O. C. Woodruff, West Burke.

Danville—N. A. Dole, Hardwick—C. L. French, Kirby—W. P. Russell.

Lyndon—C. B. Hutchinson and H. S. Powers, Lyndonville; E. E. Bailey, Lyndon.

Newark—H. D. Packer, Peacham—F. G. Shaw, South Peacham; J. C. F. Richter, Ryegate—C. M. Libbey, South Ryegate; D. G. Farwell, Wells River.

St. Johnsbury—V. E. Lurchin, C. E. Merrill, Clark J. A. Peck, Sheffield—Will Peck, Wheelock—Fred Hoffman, Waterford—F. E. Richardson.

The Proceedings.
It required an hour and a quarter to do justice to the fine dinner served by the ladies and nearly every seat was taken. The dinner was served by the ladies, the club furnishing the venison and fish for them to cook and serve. Cigars were passed and the men adjourned to the regular hall when President Bigelow called them to order, thanked them for their generous response to the invitation to be present and stated the club had done more effective work in stocking streams the last season than ever before.

NOTRE DAME PARISH HOUSE

Will Be Extensively Remodelled This Coming Season.

Plans are under way for remodeling the Notre Dame parish house and Father Drouhin already has the architect's drawings for the proposed new structure. The main part of the house will probably be retained and a brick veneer built around it. A two story ell will be built and this will also be of brick to correspond with the main part. From ten to fifteen thousand dollars will be laid out and the parish house will then take its place with the other church buildings which are in excellent shape.

This house was bought by the parish about 20 years ago and served Father Boissonault as a residence until his death. That the old wooden structure was not in harmony with the fine stone church and the St. Johnsbury hospital has long been felt by the parish but until now they have not seen their way clear toward making any change and have only recently obtained the consent of Bishop Rice to make the necessary repairs. Work will be commenced in the early spring.

The Sunday School Teachers Training class will meet at 7 o'clock this week, Friday evening, instead of 7:30. The class will close in time to give anyone who wishes an opportunity to attend the Commercial Travelers entertainment.

CALL TOWN CAUCUS

Voters To Select Town Officers On Saturday, Feb. 19—Several Contests In Prospect

A citizen's caucus irrespective of party has been called to meet at the Town hall, Saturday afternoon, Feb. 19, at two o'clock to nominate officers to be voted for at the annual March meeting. There is every prospect of a lively meeting as there are several contestants for some of the offices, and the fight will be settled at the caucus rather than the town meeting. The term of W. F. Welch as selectman expires this year and he has many friends who insist on his being a candidate for re-election. He has consented to allow them to present his name. In opposition to him will be Frank N. Carr, a well-known business man.

W. H. H. Robie having decided he will not be a candidate for re-election as overseer of the poor has opened a regular flood gate of candidates for that place. Among those mentioned are W. C. Rodditt, T. J. Tierney, F. S. Harriman and Charles Weeks. It looks as though the real contest will be between Messrs. Harriman and Weeks. The friends of the latter believe he could manage the town farm to better advantage than a person who has less practical experience.

E. G. Asselin's term as lister expires this year and on account of business responsibilities he will not allow the use of his name as a candidate. The only name we have heard mentioned to date is that of Philip A. Fletcher.

A. J. Higgins finishes his three-year term as school director this year and it is understood that if it is desired he serve another term he would be willing to do so. We have heard no other name mentioned in connection with this office.

Of course many developments may spring up yet but at present these are the only names we have heard mentioned.

The Town's Business.
The auditors have finished auditing the accounts of the town officers and have discovered the real standing of the town. Apparently the town ran into debt \$11,000 last year. But it
